**PRAYER**

**TODAY'S COLLECT PRAYER:**

Lord of creation, whose glory is around and within us: open our eyes to your wonders, that we may serve you with reverence and know your peace at our lives’ end, through Jesus Christ our Lord. Amen.

**PRAY WITH COMPASSION FOR:**

Gwen and Ricky Buttery, Rene Moody, Vivienne Lee, Gerald Clark, and others known to you. Pray also for those who care for them.

**MISSIONS PRAYER**

Pray for Rob Martin’s health and continued strength as he finishes the next 8 months in Kenya. Pray for the process of choosing a new bishop which begins now in September, that the right person will be elected and that Rob will have a fruitful time in handing over to him before retiring.

One million people have been evacuated in Chile after a powerful earthquake hit the country’s central region.

At least five people died when the 8.3-magnitude quake hit. Residents of Illapel, near the quake’s epicentre, fled into the streets in terror as their homes began to sway.

A tsunami alert originally issued for the entire Chilean coast has been partly lifted since. In the coastal town of Coquimbo, waves of up to 4.5m (15ft) in height hit the shore.
